

PLACEMENT CELL

The college placement cell aims to add value to the young minds of students both in terms of exposure, longer term vision, career choices, key skills required, skill gaps and guidance in overcoming their social exclusiveness.

It is a resource centre of information, guidance and counselling with free accessibility and internet based global connectivity and exchange of information on professional placements. It addresses both the academic and the career concerns and opportunities available for the final year students and internship programs for I & II year students.

It organizes audio-visual sessions of interactive skill – enhancing seminars / workshops and campus recruitment sessions conducted by various reputed companies and organizations for final year students.

The college placement cell also explores internship options for I and II year students, inculcates responsibility, leadership skills by encouraging them to volunteer for the cell. All the relevant information is shared online (FB group “Placement Cell”: <https://www.facebook.com/groups/DRCPlacementCell/>) as well as offline (“Placement Cell Notice Board”). The online platform is also being used for guiding students in making CVs in the uniform format to maintain a database of aspiring students, career – related queries/ counselling as well as feedback from the already – placed students.

Various reputed companies / organizations have been visiting the college for recruitment drive/ skill enhancing programmes/internships(both campus and on line) namely, Ernst &Young, S&P Capital IQ, Wipro Technologies, Protiviti, Tower Watson, SmartIcan, Genpact, KPMG, Career Launcher, CIMA Finitatives Learning India Pvt Ltd (FLIP), Extramarks Education Pvt.
